HAIL TO THE SENIORS!

SENIORS

No man is an Island, entire of it-
self; every man is a piece of the con-
tinent, a part of the main; if a clod be
washed away by the sea, Europe is the
less, as well as if a Promontory were,
as well as if a Manner of thy friends or
of thine own were; any man's death
diminishes me, because I am involved in
Mankind; And therefore never send to
know for whom the bell tolls; it tolls
for thee.

Dedication

According to the dictionary, a friend is a person who gives assistance. According to the Cargo Staff, everyone's friend at Louisville Jr.-Sr. High School is Mrs. Dhieux. Whenever there's something we need—band-aids, rubber bands, paper clips, change, the telephone, money boxes, carbon paper, envelopes, stamps, tardy slips, a smile, or sympathy—Mrs. Dhieux's always there.

Because of her many years of friendship and loyalty to the L.H.S. students and their needs, we the Cargo Staff, dedicate the 1971 Cargo to Mrs. Dhieux.
